BIBLE LESSONS INTERNATIONAL

A Great Commission Ministry: Evangelism and Discipleship--Matthew 28:18-20

Dr. Bob Utley - 903.935.2532 - 800.785.1005 - PO Box 1289, Marshall, TX 75671

Newsletter 2007

Instead of the usual Christmas newsletter, this year I want to give a "state of the ministry" report. This will help our supporters know where their gifts are being spent and it will function as a way to introduce the ministries of www.BibleLessonsIntl.com (to order hard copies) and www.freebiblecommentary.org (to download free of charge) to those who do not know us!

Table of Contents:

1. Letter from Bob
2. Review of ministry around the world
3. Emails from the United States
4. Grateful acknowledgment to www.BibleDefenders.com
5. List of translations in progress
6. List of websites that have linked to ours
7. Other services
8. Family update

LETTER FROM BOB

Well, it has been quite a year as you can see from the emails included in this newsletter! It has been an especially productive year for me as a commentator. I have completed my work on Deuteronomy, Joshua, Ecclesiastes and Song of Songs. I have out-run both our typist and proof-readers! Hopefully, the new commentaries will be on the website in a few months. (Peggy says that just because I have finished my part does not mean the process is complete!!!!).

The free website has really grown this year. The Video Bible Commentary now has all of our Old Testament lessons. The New Testament (over 300 lessons) is not yet on the website but it is in process. Please take a look—you can see me when I had dark hair and sideburns, and I wore leisure suits!!! See it at www.freebiblecommentary.org.

As I write this newsletter (the end of September) the new free website has had 47,000 visitors in just nine months. Mike Miga, our computer technician, tells us that last month alone over 10,000 people visited the site and a large

percentage was outside the USA! That is exactly the audience we want to reach.

Please, please pray for us in these exciting days of open doors and Great Commission opportunities. It seems that the Lord is giving me more time to write commentaries. I also get to preach and teach the Bible regularly. He is so good to me! Thank you for remembering me in your prayers.

"And Jesus came up and spoke to them, saying, 'All authority has been given to Me in heaven and on earth. Go therefore and make disciples of all the nations, baptizing them in the name of the Father and the Son and the Holy Spirit, teaching them to observe all that I commanded you; and lo, I am with you always, even to the end of the age.'" Matthew 28:18-20

"Then He opened their minds to understand the Scriptures, and He said to them, 'Thus it is written, that the Christ would suffer and rise again from the dead the third day, and that repentance for forgiveness of sins would be proclaimed in His name to all the nations, beginning from Jerusalem. You are witnesses of these things.'" Luke 24:45-28

REVIEW OF MINISTRY AROUND THE WORLD

Below is a list of countries where Bible Lessons International is having an impact. The emails are in response from our email offering the free resources on our website. As you read the names please pray for these leaders and ministries as they spread God's Word.

***It may be tedious to read all of these emails but we hope you will take the time to do so. It will be a blessing to you. We have printed these emails just as we received them.

ASIA

Thanks for your email and address to your website. I have looked at it briefly. It looks very beneficial for the body of Christ worldwide. Thank you for your work and making it so available. May God continue to bless and use you for His honor and glory.

Hullo Dr. Bob,

What a splendid page on hermeneutics! Could you tell me, do you broadly class yourself as Reformed and non-dispensational? Looks like it. I hope to be able to access your commentaries, written and audio, as a totally blind Pastor with

the Presbyterian Church of Australia (similar to the pca in the States).

Hi Bob,

I'm not sure who sent me an email with a link to your site, but I am very grateful they did! I pastor a tiny country church as well as work full time as business manager of a Christian school. I really enjoyed your 1 John intro video commentary. It made me think, stretched me, refilled me after pouring out my heart on Sunday. Thank you so much!

In Christ's love

Thank you very much for your Bible Lessons but mostly I thank The Almighty Lord God Jehova for you.

BOTSWANA

BLI is sponsoring two pastors to teach at a Pastor's Conference in Botswana in November of this year (by the time you read this the conference will be over). Bob taught there last year and we wanted to encourage the believers as they are starting the first Baptist seminary in their country. Please pray for them and for this work to have lasting results.

BENIN

Beloved Bob,

Please Sir, we will like to invite you here in Benin Republic for a crusade and seminar, and to also be a blessing unto God's people and the nation.

We will be waiting to hear from you. Remain Blessed.

BRAZIL

Dear Dr. Utley,

I appreciated receiving your information about the display

of your commentaries on the Bible. I checked them out and found them very helpful. As I was doing that, I asked myself whether we could be of help to make these commentaries useful and available also in Portuguese. It happens that the Bible Society of Brazil has an electronic

system called: "Biblioteca Digital da Biblia." The idea is to translate your materials into Portuguese and make them available through our electronic system, which already has all our Portuguese Bible translations and other Bible study materials. Your commentaries would be an important addition to this material, which is used by many people in Brazil, especially seminary students and pastors.

GHANA

Hello Bob,

I traveled to Wenchi, a village where our agriculture faculty is to organize the library for accreditation from the National Accreditation Board, to run a BSc in General Agriculture, Diploma in Horticulture and General agriculture. I arrived on Saturday. They are doing the translation of the book commentary on Romans and the 1,2 & 3 book of John. Yes, Bob, before I handed over the books to them I discussed it with them and they promised of doing an excellent job. They are the people who are currently translating our Methodist Hymn Book into our local language to the Methodist Church of Ghana. They do translate Bibles to other languages as well. I know they are trustworthy. A colleague of mine told me they are good translators and even showed me a book written by one of our Pastor's that they have translated into the Akan language.

But, as you said I promise to proof-read it before sending the PDF copy to you. I gave them some money for the start but they complain it is not enough for the three of them. That is why I requested that you send me some money to be given to them. Bob, I think for now any amount that will motivate them and give them the assurance of full payment after the work will do. You can send it to me as you did the first. But if you can also send all so that I pay them half of the amount and thereafter the rest it will be ok. But whichever way you think it will be ok for you.

Hope to hear from you soon

Thank you

HAITI

Bob has taught at the OMS Seminary in Cap Haitian, Haiti for the past 3 years. The picture below shows Bob with his class. The Christian radio station (covers northern Haiti) there is playing (twice a day) lessons from our New Testament series. These lessons are in MP3 format. We are working on putting all of our Old Testament audio tapes in MP3 format also.

The physical needs in Haiti are overwhelming. The OMS serves a wonderful purpose by providing a health clinic which is one of the best in Haiti; the seminary to train pastors and other ministers; and other social services. Many volunteers from the U.S. and Canada serve there from 2

weeks to several months as their schedules allow. If you are interested in serving with them please contact us for more information (1.800.785.1005).

INDIA

Dear pastor, thanks a lot for your prompt reply.

Please send us a copy and we will copy it and give to our students. God is gracious to multiple a little thing to be sufficient for many. Please send all your works to us. We will be happy to spread it in India. We truly thank God for the ministry you do for the Lord. May the Good Lord strengthen you physically and spiritually to continue the great ministry. Please send us the videos also. One copy each is sufficient, we will copy it and will distribute it free of cost, so that we may also join in the great work you do for the Lord.

KENYA

Dear Bob,

Greetings to you. I thank you for the good work for the Kingdom. God will continue to reward you for all that you have done to help people grow in the knowledge of God.

I am writing this from my homeland – Kenya – I visited your site and learnt a lot from it. I am a Lay – Reader in the Anglican Church of Kenya and also the Chairman of Kenya Anglican Men Association in my parish. The most fulfilling part of my life is serving the people and especially in helping them in spiritual growth. My engagement in the church is both voluntary and non-remunerative. I am also in employment in a charitable organization where we help uplift living standards of the poor people and fulfil the great commission.

I however feel deficient in knowledge of God and would very much request your help in this area. I would request if possible you send me learning materials (books, cds, dvds) to help equip myself to equip others.

Why am I seeking this help from you and we don't even know each other? As I was reading your site publications, the holy Ghost revealed to me that you can and you have actually been equipping committed Christians with deeper knowledge of God. I then felt a strong need within me to contact you.

I will be pleased to hear from you.

All His best,

Dear Bro Bob,

Greetings from Kenya in Jesus name. First allow me to introduce myself to you. I am Pastor Moses Zewedi the Senior Pastor of Lives Changing Church here in Kitale Kenya. Kindly I would like to write and thank you for taking your time and introduce us as the ministers of the gospel to your free Bible Commentary. This is gonna be a great blessings to the preachers of the Gospel here and am gonna try my best and forward to link as many ministers of the Gospel as I can. I have another request. You know here we have the desire to dig deep in the word of God to an extent of doing some Bible college and seminary courses. I have already done some courses from Grace Bible College and Seminary and unfortunately the college is not accredited. I did the Diploma course on Christian Living and Associate degree on Practical Ministry.

My desire is to see doing some Bachelor, Masters and also doctorate in future. Due to much poverty that surrounds our people here, we have the desire to learn but we can't afford the fees. I believe that if I stop learning today then I stop growing. There's a Bible college in India that has contacted me to do their courses but I can't afford the tuition fee. Sir is there any way that you can help me to go about these. Also if there's any other Bible college or university there which can allow me to do lessons on correspondence at my own pace, I would really appreciate

“

to do some undergraduate and graduate studies, also if they can allow me to transfer my credits from Grace Bible College, I will as well appreciate. Kindly pray about my request and getting back to me. May God bless you as you labor there in your area of the harvest field.

Grace and peace to you.

our training ministries and many will be able to study and teach the Word of God faithfully. Our desire is to be able to declare the full counsel of God and with your resources I do believe we will. I really don't know what to say to thank you Bob. I also pray that one day you will be able to compile Old Testament teachings on MP3 as well. I really don't want to miss your Old Testament studies as well. For the time being we have your NT MP3 and this will keep us very busy for a long period of time. But can you please send us the OT ones when they are ready. Thank you for all your help, generosity and support.

Ps: By the way we grew up all our Christian life in Southern Baptist churches before having the call to start an Evangelical non-denominational church and Bible School. As such we love your teachings and doctrinal stands.

Thanks Brother again for everything!! We are rejoicing here in Mauritius!!! Unfortunately we cannot download anything online. We have a very very slow connection in Mauritius and it will take hours to download just a few sermons/teachings. As such we will never be able to download the OT teachings. But having the NT teachings is already bringing tremendous joy to our hearts. Thank you so much for the Study Bible as well. This is a very generous gift. I praise the Lord for your support encouragement and generosity. I really want to get back to listening of your teachings!!!

May the Lord bless you abundantly.

Dear Sir,

The Commentaries you sent to me got to me. I must express my profound delight and gratitude over my receipt of these precious gold. Thank you. I have been in your school through going through these materials which have in no small way blessed my life and ministries. The things that were hitherto unclear have been put right to me. I testify that I have a better understanding of the epistle to the Romans. I am yet to finish that of John epistle, and I will surely get back to you. One of the things I want to do is to share this gift with local and unexposed pastors and ministers that are sub-urban based. If you have more materials, I will gladly devour it and spread the knowledge. Another thing I want to do is to organize a one month Bible Leadership lessons for a few ministers-using your Commentaries as resource materials. Will you please permit me to do so?

SERBIA

God has really opened the door for translating Bob's commentaries into the Serbian language. At the present time the following commentaries have been completed:

1. Paul's Prison Letters (Ephesians, Colossians, Philippians and Philemon)
2. I Corinthians
3. II Corinthians
4. Revelation

The translation team is now working on the Gospel of John and I, II and III John. These are the only commentaries in print in the Serbian language!!!

SLOVAKIA

The following commentaries have been translated into Slovakian:

1. Romans (written and audio)
2. Revelation (written, to be printed and distributed soon)
3. Genesis 1-11 (for radio)
4. John (audio)

The radio station there, HCJB, says that it is a very popular program (see email below).

Dear Dr. Utley,

It is great pleasure for me to tell you shortly about our first experiences with your Bible teaching programmes—the book of Romans.

The greatest surprise for us is a huge response to your lessons from our listeners. Higher than the best of our programmes ever broadcasted! We did not expect such a response as we know some topics of the book of Romans are quite difficult for understanding. It is not a book for easy listening. Maybe the reason is the quiz with questions, answers and rewards in every lesson. People are listening very eagerly and we can see they understand the topics of the lessons. That is the reward for us that our hard work is not in vain...Even more, many people do not take part in the quiz, they only write us for their thankfulness for the lessons.

The lessons are spreading out also between the students of the Bible seminary. As I was told, Dr. Masarik from the seminary wrote you a mail recently.

REVIEW OF MINISTRY AROUND THE WORLD - CONT.

As we have started to prepare our programme schedule for the next year and beyond, please consider your programme contribution for the future decide to take part, we would prefer the Letters of John or better the Gospel of John.

Bible Lessons International will be helping to host a Pastor's Conference in Togo in August of 2008. The purpose of the conference is to teach Bible interpretation and distribute the newly translated Gospel of John, I, II, III John, and Romans in French. I have just visited your website after I received your email together with its attachments and have browsed through Romans and the Seminar notes on Biblical Interpretation. What a blessing you are bringing into the hands of serious Bible Students and the people of God worldwide. I am inspired by the quality of the material as it is both thorough in its background and insightful in its application which releases faith in the Scriptures.

I am involved in Bible teaching and leadership training and so I plan to use this material extensively. I am the General Secretary of the Bible Society in Zambia. One final comment is it possible to order hard copies of the material I mean the printed one and CD's?

It was good to meet a person like you. I am sure the translation of Romans into my local language will see many Shangaan people getting a better understanding of the Bible. As the President of my Convention, I am sending a letter to my translation team today. I am doing this through the Secretary General of the Convention. I am sure they should start it next Monday, if they have the stationary to start with. Our translation team is the department of Church Training and Discipleship in the Convention. EMAILS FROM THE UNITED STATES

Here are a few emails that we have received this year from people and ministries in our country. They are in response from my email regarding the resources on our websites.

Dear Dr. Utley,

Absolutely yes! It will take me a while to add them all as I am continually updating/adding other things but I will definitely add them as time allows. I own your commentaries (Libronix format) and find them helpful and right on. I had no idea they were also available at no charge and so was quite surprised to get your email.

Thank you for the head's up. You can rest assured they will be added to the glory of God. If you know of other conservative, sound doctrinal material like yours that I don't have on the site please let me know.

I assume you are still in Marshall, Texas. My first job in pathology after finishing training at Southwestern Med School was in Longview. I was saved about 10 years later in August at age 39 (that's where I was born and had always wanted to practice medicine). I have been saved about 23 years and about 2 years ago I retired to do this website full time. I love posting material of the quality that you produce as it really edifies the saints for the work of service. Do you also preach?

May grace and peace be multiplied to you in the knowledge of God and of Jesus our Lord,

Bruce Hurt, MD
Austin, Texas

Hello Dr. Utley,

PTL, I'm thrilled to be able to offer your materials to our students at Ames International School of Ministry www.amesbible.org or www.freebiblecollege.com I appreciate your balanced approach, my only reason for checking back was because some folks of different backgrounds are very dogmatic and legalistic perhaps against the gifts of the spirit and maybe would not want to be linked to our site knowing our beliefs. I think the disclaimer is a good idea. I will begin to post your links ASAP. I think they will be a great addition to our program. I have wanted to record our courses like you did the commentaries and I was very impressed. Hopefully, Lord,

willing, this will drive traffic to your sites. I will promote both your site that has messages that can be purchased in printed and audio form and on the student page I will promote both. With 16,000 enrolled and 100 new enrollments a week you should see an increase. Let me know if you do. I really think that your messages will add value to my program.

Have a blessed weekend.

“

Thank you for making available this helpful and greatly needed commentary material on the Bible.

”

Dear Bob,

Thank you for making available this helpful and greatly needed commentary material on the Bible.

I have read through some of your written commentary material and found it to be exceptionally accurate and purely scriptural without so much of the denominational slant that many commentators

add. This is indeed refreshing.

Bob, since I travel in mission throughout the world, it would be a privilege to make your website available to servant leaders in third world countries. They desperately need access to good sound biblical materials. With your permission and blessing, I will make this available to them.

Dr. Utley

I have really appreciated your commentaries, particularly on I Corinthians. I am pursuing a PhD in NT and have found your work to be very helpful in my research.

My only regret is that I didn't come across them earlier.

Dear Bob,

Thank you for your website and for making available your commentaries. I have looked at some random places and also what I would consider key passages to check your perspective. I have to say from what I have seen, yours is a very sane, gentle, accurate and honest approach to the Scriptures. I appreciate how you gently debunk the Dispensational ideas that so dominate our western Evangelical churches. I appreciate your solid grip on the redemption provided by Jesus and our inability to add anything to salvation or earn a portion of it while at the same time you teach with clarity our call, our necessity to walk in righteousness and bear the fruits of salvation. I appreciate your grasp on what I believe is the true eschatological view of the triumph of the Gospel in all nations.

From the short time I have spent with your commentaries I perceive a gift of great treasure to the Body of Christ and I am very grateful for your work and the generosity of God through you.

Dr. Bob,

I am a graduate of Talbot School of Theology and currently working on my D-Min through Phoenix Seminary. I am totally impressed with your written commentary! It harkens me back to the days of such expositors and exegetes as Spurgeon and Ironside. We live in a dismal day of commentary life. Your

Dear Bob,

Thank you for your material online. Because the focus of TMAI is on Bible exposition, we will try to make good use of your study. Thanks for your faithfulness.

Dr. Utley,

My name is Michael Garrett and I am the founder of Faith Cycle Ministries (www.faithcycleministry.org). Our two fold mission is 1) to help Christians with their next step in faith and 2) supply missionaries with technology and technical support.

I am writing to you asking if we may use some of your material on our website to offer our web visitors more options in writing material. We would gladly make a Dr. Utley page and then list your works that you allow us to have on our site, a bio of you and a link to your site. We also would like to put your material on our Virtual Learning Centers (VLC). Our VLC's are 500 GB hard drives that we send to 3rd world countries that cannot access the internet due to location or cost. The missionaries who receive our VLC's use them to train and evangelize the locals in that area. Our VLC's contain evangelism material, training material and medical information like how to do first aid and other necessary items to make them more efficient on the front line doing God's will.

I pray that you will allow us to use some of your material for our ministry.

Greetings Dr. Utley,

Thank you for being a blessing to the "Body of Christ." Your courses and lessons are extraordinary in exegesis, theological honesty and biblical integrity. We are blessed to be able to share your material with a broader audience.

Initially, I placed an Independent Directed Studies links on our website and later plan to integrate many of your courses

and lessons into our online program of study.

GRATEFUL ACKNOWLEDGEMENT TO BIBLE DEFENDERS

This is an especially wonderful website:
(www.BibleDefenders.com). The following is listed on their website:

Dr. Bob has made, in my opinion, the most detailed Bible commentary ever on video, audio and paper. The best part about it is that it is FREE!!!! He is one of the most influential, fundamental and Biblical teachers of the scriptures that I have ever met.

One of the reasons why Dr. Bob Utley shares his resources and commentaries with people is because he realized “how many different interpretations of this book (the Bible) were advocated, sometimes even within the same churches and schools of thought.” He is a teacher who is dedicated to teaching the Bible without any pre-suppositions by emphasizing the importance of allowing the Bible to interpret itself, rather than putting one’s own interpretation on the Bible.

Dr. Bob points out the fact that most interpretations of the Bible are based on “(1) personal philosophies, (2) ancient myths, (3) personal experiences, or (4) psychological projection.” He admits “Although I can never be totally objective, I can become a better reader of the Bible. I can limit my biases by identifying them, but I have confronted my own weaknesses. The interpreter is often the worst enemy of good Bible reading!” Dr. Bob also points out the fact that we must base our interpretations on: “historical setting, literary context, grammatical structures (syntax), contemporary word usage, relevant parallel passages and genre.”

Personally, I think that he is one of the least biased teachers of the Bible alive. I really recommend that you check his material out since much can be learned from his teachings on the Bible.

OTHER SERVICES

Bible Lessons International continues to provide Sunday School lessons in written and audio form. We send them free to prisons and hospitals. Churches and individuals subscribe to them and we send them quarterly.

We also continue to send Bibles and other materials overseas to Pastors and Christian ministries. However, the cost of postage has risen (in some cases it has tripled) so much that we are not able to send as much as we did before.

We also have a "Tape of the Month" program. For those who give at least \$25 per month to the ministry we send audio cassettes or CD's of Bob's Bible studies.

If you are interested in helping the ministry in any way please contact us at 1.800.785.1005 or by mail at PO Box 1289 Marshall TX 75671. Our email address is bli@biblelessonsintl.com. All gifts are tax-deductible.

UTLEY FAMILY UPDATE

It doesn't seem possible that another year has passed. It seems like yesterday that I was writing the 2006 Christmas newsletter! We hope that your year has gone well and you can see that God's hand was guiding you along the way. He is so faithful to assure us of His love and to bless us with the simple pleasures of life. Even through the difficult times He is there to give us comfort and grace to face whatever the challenge may be. It grieves me that so many people do not know Him and will never know His love, peace, grace, wisdom and salvation. We must continue to pray for them.

Our daughter, Michelle, and her family (husband John, Taylor [10] and Tiffany [7]), moved into their new home in April and they are enjoying it so much. It is on a beautiful piece of land on one

of the highest points in Harrison County, in Hallsville, Texas. John teaches High School Biology and Health. He is Head Coach of the Varsity Girls Basketball team and also the Junior Varsity Football Coach. Michelle teaches 5th and 6th Grade Math and Language Arts. They are very active in their church, Life Point, in Longview.

Jason and his family (wife Shannen, Avery Grace [3] and Noah [10 months]) have lived in Tomball, just northwest of Houston, for the past three years. As of October 16 they are living in St. Paul, Minnesota. Jason is working for On Assignment. It is a health care agency that supplies medical personnel for hospitals, doctor's offices, labs and other medical facilities. He matches the health care professional with the medical facility.

He did this same kind of work at one time when he lived in Houston. Shannen plans to work on her PhD in Speech at the University of Minnesota. Her father and step-mother live in St. Paul and both sets of her grandparents live in Wisconsin (about 4 hours away). We will miss them very much but we are excited for them in this new adventure.

They were very active in their church, Northwest Houston Baptist Church. Please pray that they find the church where the Lord wants them to plant their lives.

Jeremy and his family (wife Daniell, Tucker [5]) live in Marshall). Jeremy drives to Tyler three days a week where he works at East Texas Medical Center as an RN in the Emergency Department. Daniell graduated from Cosmetology school and works part-time. They are still

looking for a church home.

Bob and I celebrated our 38th anniversary this year. We feel so blessed! The Lord has given us a special love which has deepened over the years. We are so content just to be with each other and to enjoy the life God has given us. It is so rewarding to serve Him and we are humbled by His love and grace. We pray for each of you as you seek to serve the Lord in the place where you live.

"Let us not lose heart (grow weary) in doing good, for in due time we will reap if we do not grow weary. So then, while we have opportunity, let us do good to all people, and especially to those who are of the household of the faith." Galatians 6:9-10
